Mission, Purpose and Objectives

The purpose of **Petra University** is to train church leaders and ministers in their chosen areas and in their personal lives via the application of Christian conservative reformed faith. In order to further progress toward the attainment of the university's stated purpose, **Petra University** further emphasizes the development of critical thinking skills, an integration of curricula among the academic disciplines, involvement of the community as an extension of Christian teaching, and the impact of religious teaching on the social behavior of community.

The mission of **Petra University** emphasizes student outcomes and goals and provides, through dedicated instruction, the requisite skills for graduation students to bring Christian principles to the community. Students enrolled in degree programs at **Petra University** are provided instruction designed to enhance their knowledge of Christianity through an educational program aimed at Christian community service. The university's mission focuses on serving students and the community through providing a compressive quality educational program and learning environment aimed at proving responsible and qualified human resources dedicated to meeting diverse and emerging community religious needs.

Petra University is an educational institution that offers academic programs designed to prepare men and women for success in advanced studies. Based on Christian studies and faith, students participate in an education program designed to further their professional and personal goals. An integral part of the university experience is regular chapel worship in order to strengthen and enrich the spiritual life of students. The academic

program is based on Christian theology and is aimed at fostering an understanding of and respect for the racial, cultural, ethnic, and special needs of a diverse society.

Petra University encourages students to participate in dialogue that applies the teachings of the Bible and Christian doctrine in life situations.

Petra University commitment emphasizes strong instructional programs that foster Christian ethics, scholarship, research, imagination, knowledge application, self-challenge, and community responsibility conducted in an academic environment that is designed to meet the professional growth needs of its students. The educational programs of study provided by **Petra University** also are designed to nurture the development of critical thinking abilities and effective communication skills. In addition, students are expected to demonstrate Christian coordinated efforts of a highly qualified faculty and support staff whose input and dedication form the foundation of the university.

Petra University provides an articulated curriculum and related learning activities designed to educate students of all ages, conservative reformed beliefs, and interests. The university is particularly adept at providing Christian education to culturally, linguistically, and ethnically diverse individuals in its service community.

Petra University recognizes its commitment to the academic requirements of teaching, research, and scholarship through its continuing support for a comprehensive library and computer center. The university provides support services that help each diverse student to succeed in his/her area of study based on changing needs and identified goals.

Admission Standards and Procedures

Policy of Non-Discrimination ;

Petra University admission policy does not discriminate on the basis of race, age, gender, or physical disability. Further, the university's commitment to non-discrimination extends to the areas of educational policy development and implementation, religious preference, and applications for admission.

To Apply ;

Individuals desiring information or applications regarding the academic degree programs offered by **Petra University** may telephone the Admissions Office at (213) 210-3877 or visit the university at **866 S. Westmoreland Ave. 2nd Fl, Los Angeles, CA 90005**. Office hours are 9:00 AM to 5:00 PM, Monday through Friday, except for holidays.

Applicant Processing ;

Each prospective student seeking admission to the university is interviewed to ascertain his/her aptitude for the degree program of interest. A planned sequence of required and elective courses for the degree program is discussed, as are the academic requirements of the university, degree program contract, and schedule of fees. In addition, the student is advised that, upon admission to **Petra University**, the language of instruction is primarily Korean or translated from other languages into Korean, so that written and oral language proficiency in Korean is necessary.

The admission criteria adopted by **Petra University** assure that applicants are evaluated on the basis of academic and professional backgrounds and

on the potential for professional growth. The following application documents are required to serve as a basis for determining the applicant's satisfaction of the university's admission requirements ;

- A completed application form;
- Two personal references, with at least one reference from the applicant's pastor or church governing board;
- A 2-page essay that includes a brief autobiography, a summary of the applicant's previous vocational experiences, and a description of his/her theological convictions as related to the Christian ministry;
- Official transcripts for all previous college and seminary work;
- A non-refundable \$100.00 application fee; and
- A personal interview.

As a prospective student, you are encouraged to review this catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement.

Admission Requirements :

- High School Diploma or its equivalent

Master of Divinity (M.Div.)

- B.Th. degree or its equivalent and a 2.8 grade average for all previous studies.

Doctor of Ministry (D.Min.)

- M.Div. degree or its equivalent with a 2.8 grade point average for all previous studies.

Transfer Credits ;

Petra University permits students to transfer the following number of earned units from international, national, or regionally accredited institutions to apply toward the degree sought ;

Bachelor in Theology (B.Th.)

- Up to 60 semester units or correspond able courses to PU

Master of Divinity (M.Div.)

- Up to 36 semester units or correspond able courses to PU

Doctor of Ministry (D.Min.)

- Transfer credits are not allowed.

Transfer Policy ;

Upon receipt of an applicant's official transcripts, completed application requesting credit transfer, and catalog descriptions of completed courses, **Petra University** Department Chairs, the Academic Dean, and the Registrar review these materials to determine equivalency with the universities existing course content. A decision is made regarding credits that are suitable for transfer to the university and are applicable to the degree program sought.

Department Chairs are responsible for evaluation and approving transfer credits based on a review of other institutions course content in comparison to the equivalency criteria established by **Petra University**.

The Academic Dean and President are responsible for implementing the university's credit transfer policy. The process for monitoring transfer evaluation is based on policy that is individualized and continuing based on the student's submission of the above-specified documentation detailing the prior satisfaction of degree requirements and subject to the stated transfer policy credit limitations.

Language of Instruction ;

All classroom instruction is provided in the Korean language, or translated into Korean if the professor's primary language is English. Because of the complex nature of the Bible and its interpretations, and to enhance student comprehension, follow-up explanations and discussions also are provided in the Korean language.

In addition, a separate English class is operated for multi-ethnic international students.

Policy on Reservation of Rights ;

Petra University reserves the right to ;

- Change its policies, tuition and fee schedule, and campus site without prior notice;
- Refuse admission to any applicant
- Place on probation, suspend, and dismiss any student at the discretion of the President.

Policy for Ensuring Academic Freedom ;

Faculty members at **Petra University** are free to express their individual perspectives in their teaching, writings, and publications whether in matters of theology or academic course work and research interpretation.

Students also are free to explore and express their own interpretations of their research with the assurance that faculty members ensure the academic freedom of expression of students by encouraging exploratory inquiry into controversial issues, analyzing the underlying premises, and offering a platform for discussion.

Student Records ;

Enrollees are advised and cautioned that state law requires this

educational institution to maintain school and student records for no longer than a five-year period, with the exception of transcripts.

Ethical Principles ;

Petra University prides itself in admitting students whose personal ethics and behavior ensure quality pursuit of academic excellence, citizenship, deportment, and morality. Academic honesty and personal integrity are expected as intrinsic qualities in class work and written papers. Should the principles of ethical behavior be violated, however, the university shall first discuss the charges with the student, issue a warning if necessary, or dismiss the student. The protocol of **Petra University** is to follow Due Process procedures by notifying the student in writing of the charges, provide an opportunity for the student to counter the charges, and explain the process for appealing the decision.

Policy on Probation, Suspension, Dismissal ;

A student may be placed on probation, suspended, or dismissed as a result of behavior that is in violation of the Christian principles on which **Petra University** is founded. In taking such action, the nature of the infraction is carefully weight and the principles of Due Process are followed. Infractions that are considered grounds for university action include.

Cheating ;

The intentional use of materials without giving source credit, copying papers or test answers from another student, submitting ones own work that has been submitted previously in another course, copying test answers from secreted notes, or any other act which serves to defraud the academic process of the university.

Programs and Course Requirements

The primary purpose of **Petra University** is to offer undergraduate and graduate theological curricula to equip students for Christian ministry as ordained ministers, lay leaders, Christian educators, missionary workers, and youth ministers.

It also is the purpose of the university to encourage individuals to develop a strong Christian commitment and integrity. Students will be exposed to a nucleus of courses that will equip them with appropriate professional knowledge and skills essential for their chosen field of service and ministerial activity.

Required courses are designed so students will have an opportunity to choose a specialized area of academic preparation in Christian education and community service. To accomplish its mission, **Petra University** offers the following degree programs :

Bachelor in Theology (B.Th)

Master of Divinity (M.Div)

Doctor of Ministry (D.Min)

About The Distance Learning Correspondence Program :

Petra University now offers a distance learning correspondence program, enabling students who are incapable of attending classes at the main campus, to complete them in the convenience of their homes. All correspondence classes will have the identical syllabi, professors' handouts, manuals; study guides, texts, reading assignments and tests as the classes taught on campus. Cassette or CD recoding and videos of professors actual lectures will also be provided and become required listening via internet or

through mailings. Correspondence students will be responsible for all tuition and text fees as for campus classes, as well as for all additional shipping fees for receiving and returning class materials (that cannot be sent via email).

Students will be allowed the convenience of studying and completing correspondence courses at their own pace. However, since the University has the same professors mentoring distance learning students, and their class work as they do their campus students, the University therefore expects correspondence students to complete all assignments within a maximum period of two semesters and to have all required fees paid in full during the semester in which they receive the class materials. Correspondence students may choose whatever classes are of greatest interest to them, but it is also necessary that they seek the counsel of the University's Academic Dean(via phone or email), when planning their class requirements for their required degree program.

With each correspondence class, students will also be provided information as to how to contact their mentoring professor, in order that the learning experience received at home is as enjoyable, thorough and consistent as they would have attending the same class on campus.

3. Doctor of Ministry (D.Min)

(Total 39 units ; Course work 36 units and Dissertation 3 units)

Purpose ;

Purpose of the Doctor of Ministry program is to provide an advanced study in the practice of ministry for ordained ministers in the church or related ministries.

Description ;

This program combines an advanced biblical and theological education with an advanced training in the classical pastoral disciplines of preaching, church growth, and leadership. Applicants must hold the Master of Divinity or its equivalent and have been engaged in significant professional ministry for at least three years after receiving a Masters of Divinity, or seven years of substantial ministry experience after completing a theological bachelor's degree. Requirements for the doctoral degree are the successful completion of 36 semester units, which are offered in 6 semester courses, plus 3 units of doctoral thesis. Normally, six courses (6 units) are offered in the Summer and Winter Sessions, while 6 courses (36 units) are offered during the Fall and Spring Semesters. Students will normally take 9-12 courses each year and will complete all required course work in three years. Each doctoral course has three components ; a pre-session assigned reading, a one-week session of lectures and a post-session report incorporating the reading, the lecture, and field experience. The special project/final dissertation may focus on the research of a critical issue, the development of a new program or an in-depth case study of a ministry situation.
